## ISRC Library Cochlear Implant Resources

Title	Author(s)/Editor	Format/ Call Number	Summary
<i>Abby Gets a Cochlear Implant</i>	Riski, Maureen Cassidy	Juvenile Picture Book RF 305.R57 2008	This children's picture book illustrates the process of how Abby gets a cochlear implant. Abby...has a progressive hearing loss and her family chooses a cochlear implant for her. The story goes on to describe hearing testing, cochlear implants and the steps a family would take to explore this option of habilitation for their child who has hearing loss. <i>(From the publisher)</i>
<i>Children with Cochlear Implants in Educational Settings</i>	Nevins, M. E. & Chute, P. M.	Book RF 305.N48 1996	This book is a practical guide designed for teachers of children with cochlear implants with a focus on educational and social issues, including topics such as how to design a management program for CI users, adapt school curriculum, support parents, and promote auditory learning.
"The Cochlear Implant" in <i>Choices in Deafness: a Parents' Guide to Communication Options</i>	Niparko, N. Marlowe, A., Bervinchak, D. & Ceh, K. (Authors) Schwartz, S. (Editor)	Book HV 2471.C46 2007	This book provides a comprehensive overview of communication methods and technologies available to deaf and hard-of-hearing children, including a chapter on cochlear implants that focuses on implant candidacy, auditory assessments, surgery, possible complications, expected results, and auditory rehabilitation.

<p><i>Cochlear Implant Patient Assessment: Evaluation of Candidacy, Performance, and Outcomes</i></p>	<p>Gifford, R. H.</p>	<p>Book RF 291.G54 2013</p>	<p>This unique text is designed to provide information on best practices assessment of implant candidacy as well as the postoperative assessment of performance over the long term. This book is written for audiologists, speech-language pathologists and deaf educators to serve as a clinical handbook on the assessment tools and therapeutic intervention that are critical during the pre- and post-implant periods. <i>(From the publisher)</i></p>
<p><i>Cochlear Implants in Children: Ethics and Choices</i></p>	<p>Christiansen, J. B. &amp; Leigh, I. W.</p>	<p>Book RF 305.C487 2002</p>	<p>This book addresses the ongoing controversy about implanting cochlear hearing devices in children as young as 12 months old or younger, including the reaction of the Deaf community and the ethics of implanting young children without their consent. <i>(From the publisher)</i></p>
<p><i>Cochlear Implants: Principles &amp; Practices</i></p>	<p>Niparko, John K.</p>	<p>Book RF 305 .C6298 2009</p>	<p>[T]his book provides an in-depth discussion on prosthetic restoration of hearing via implantation. The text succinctly discusses the scientific principles behind cochlear implants, examines the latest technology, and offers practical advice on how to assess candidates, how to implant the devices, and what rehabilitation is most effective. <i>(From the publisher)</i></p>
<p><i>Everything You Ever Wanted to Hear about Cochlear Implants</i></p>	<p>Illinois Service Resource Center</p>	<p>Binder RF 305 1998</p>	<p>This binder is a compilation of articles published on cochlear implants, including pros and cons, myths, information for parents, auditory training curriculums, support groups, and device guides.</p>
<p><i>Hear Again</i></p>	<p>Romoff, Arlene</p>	<p>Book RF 305 .R65 1999</p>	<p>Arlene Romoff describes her experiences as a young woman who became profoundly deaf in her early twenties, but was able to reconnect with the hearing world thanks to her cochlear implants.</p>

<i>Kylie Gets a Cochlear Implant</i>	Rose, Marilyn C.	Juvenile Picture Book RF 305.R674 2013	[This book] is the heartwarming story of a little girl who loses her hearing and is heartbroken about the things she believes she can no longer do... She is very sad until she hears about a way to overcome her hearing loss. See what happens when Kylie undergoes a cochlear implant. <i>(From the publisher)</i>
<i>Let's Hear It for Almigal</i>	Kupfer, W.	Juvenile Picture Book RF 305.K87 2012	This fun and original picture book introduces Almigal, a spunky little girl with hearing loss who is now determined to hear every single sound in the universe thanks to her new cotton candy pink cochlear implants. <i>(From the publisher)</i>
<i>Listening to the Waves</i>	Brady, Regan Nicole	Autobiography Book HV2392 .B7339 2012	Regan Nicole Brady is an eleven year-old bilateral cochlear implant recipient who tells from her perspective what daily life is like growing up with her implants... including her accomplishments, goals and struggles. <i>(From the publisher)</i>
<i>Programming Cochlear Implants</i>	Wolfe, Jace & Schafer, Erin C.	Book RF 305.W65 2015	[This volume] is a valuable guide for clinicians providing services to cochlear implant users or [can be used] as a teaching tool for graduate-level students. [It] introduces the basics of cochlear implant hardware and programming and continues through advanced programming techniques, with manufacturer-specific information and case studies. <i>(From the publisher)</i>
<i>Raising Kids with Cochlear Implants</i>	Milani, Amy	Book HQ 759 .M45 2014	Amy Milani shares personal narratives about her experiences raising a son and daughter with cochlear implants. <i>(From the publisher)</i>
<i>Rally Caps</i>	Cutler, S. J. & Dottore, J. C.	YA Fiction Book PZ7.C9864 RA 2007	This YA fiction book describes how the positive attitude of Luca, a deaf Italian boy with a cochlear implant, helps Jordan, a 10 year boy recovering from a severe injury, regain his confidence and passion towards baseball.

<i>Sound and Fury</i>	Aronson, J. (Director)	DVD HV 2392.2 .S686 2000	This Academy Award nominated documentary follows the extended Artinian family as the parents of cousins Pete and Heather, who are both deaf, struggle with the decision about whether or not to choose cochlear implants for their children and how doing so might affect their relationship with the Deaf community.
<i>Sound and Fury: 6 Years Later</i>	Aronson, J. (Director)	DVD HV 2392.2 S686 2006	This film, a follow-up to <i>Sound and Fury</i> (2000), focuses on Heather Artinian, whose family initially decided not to implant her, and how both she and her family are handling the results of cochlear implants.
<i>Sunny and her Cochlear Implants</i>	Drussling, Susanna	Juvenile Picture Book RF 305.D87 2010	Follow Sunny as she lives her life as a deaf child, in a hearing world, with hearing aids. Then, her life changes when her aids no longer help - but there is a solution. Sunny is about hope, acceptance and a positive "can do" attitude. <i>(From the publisher)</i>
<i>The Parents' Guide to Cochlear Implants</i>	Chute, P. M. & Nevins, M. E.	Book RF 305.C487 2002	Written by two eminent professionals in deaf education, this complete guide explains the process of cochlear implantation including child evaluation, implant device options, how to choose an implant center, and every detail of the surgical procedure. Most importantly, parents will learn their roles in helping their child adjust to and successfully use the cochlear implant. <i>(From the publisher)</i>
