## Assistive Technology Items Available in the ISRC Library

These assistive technology items are available in the ISRC library and are able to be borrowed by those interested in testing out these items and seeing how they work.

Item	Type	Summary
CapTel 800	Captioning Telephone	The CapTel phone provides captions of conversations on its screen through a free service, and works like a normal phone for those who don't need captions. Requires only an analog phone line.
Sonic Boom SB200ss	Alarm Clock	The Sonic Boom alarm clock features an extra-loud pulsating audio alarm as well as vibration alarm.
Clarity AlertMaster	Door and Phone Transmitter	The Clarity Alertmaster flashes when someone rings the doorbell or when the phone rings. Different flashing patterns are provided to distinguish between doorbell, phone, or other transmitters.
Gentex GN-503F Hard Wired Combination Smoke & Carbon Monoxide Alarm with Wall Strobe	Smoke/Carbon Monoxide Alarm	This kit provides visual strobe as well as audible notification in the presence of smoke or carbon monoxide. It includes a combination smoke and carbon monoxide alarm with wall mount strobe.
Midland Weather Alert Radio with Weather Strobe Light	Weather Radio	The Midland Weather Alert Radio tunes to the NOAA's National Weather Service and flashes in cases of emergency weather bulletins or other emergency broadcasts.

The Illinois Assistive Technology Program ( <http://www.iltech.org/index.html> ) also has a device loan program:
