## ISRC Resource List Subject: Early Intervention

| TITLE   | AUTHOR                          | SUMMARY   |
|---|---------------------------------|---|
| <i>The Developing Child with Unilateral Hearing Loss: a guide to early intervention</i>                                     | Anderson, Karen                 | This step-by-step guide has been developed to share with families after unilateral hearing loss has been diagnosed, typically in infancy secondary to identification through newborn hearing screening.<br>RF 290 .A53 2013   |
| <i>Parent's Guide to Special Needs Schooling: early intervention years</i>  | Cantor, Ruth and Jeffrey Cantor | he book describes the various ways parents can be involved in planning and delivering a special education program for their child.<br>LC 4019.3 .C36 1995   |
| <i>Essential Elements in Early Intervention: visual impairment and multiple disabilities</i>                                | Chen, Deborah (editor)          | Includes comprehensive information on vision and hearing examinations, functional vision and hearing assessments, and effective methods of providing early intervention services.<br>HV 1596.2 .E77 2014  |
| <i>Helping Deaf and Hard of Hearing Students to Use Spoken Language: a guide for educators and families</i>                 | Easterbrooks, Susan             | Based on the authors' model of auditory, speech, and language development, the book provides educators with effective techniques and strategies for working with children in the primary grades.<br>HV 2483 .E23 2007   |
| <i>Reach Out and Teach: helping your child who is visually impaired learn and grow</i>                                      | Ferrell, Kay Alicyn             | Presents the latest research on how visually impaired children learn and develop at different ages and in the various developmental domains<br>HV 1626 .F47 2011  |
| <i>Early Intervention for Autism</i>  | Hamre, Susan                    | Multi-disc video recording; develops ability to recognize the early and subtle signs of autism to interrupt the development of many 'autistic coping behaviors' before they become deeply engrained into a child's neurological system.<br>RJ 506 .H36 2014               |
| <i>A Parent's Guide to Special Education for Children with Visual Impairments</i>   | LaVenture, Susan (editor)       | This handbook for parents, family members, and caregivers of children with visual impairments explains special education services that these children are likely to need and to which they are entitled--and how to make sure that they receive them.<br>HV1626 .P63 2007 |
| <i>Everyday Activities to Promote Visual Efficiency: a handbook for working with young children with visual impairments</i> | Trief, Ellen                    | Provides simple activities that can be incorporated easily by families and service providers into the everyday routines of a baby or child to facilitate early visual development and use of functional vision.<br>HV 1642 .T75 2009                                      |
